

Instructions for crew change in Greenland

Due to COVID-19 crew change in Greenland can only occur if an application for this has been approved by the Greenlandic authorities.

The application for crew change must include the following information:

1. Crew list of incoming and outgoing crew members (Appendix 1).
2. List of the ship's ports of call in the 14 days prior to the scheduled port call in Greenland (Appendix 2).
3. List of the ship's planned upcoming ports of call in Greenland (Appendix 3).
4. Maritime Declaration of Health (Appendix 4).

Case no.: 2020 - 6890
Doc. no. 13578883

Please note:

5. Flights to Greenland are only granted permission to land if all passengers have been tested for COVID-19 before departure and the test results are negative. Each crew member must be in possession of a copy of the negative test result upon entry.
6. Crews must be escorted directly between aircraft and ship without contact to locals.
7. Prior to the ship's port call a Maritime Declaration of Health must be submitted to the local port authority.
8. Other crew members may not leave the ship during a port call in Greenland.
